

LES SINGAPORE BASIC LICENSING COURSE

A 2-DAY COURSE ON THE LICENSING OF INTELLECTUAL PROPERTY

Date: 19 - 20 July 2010 (Monday - Tuesday)

Time: 9am - 5pm (Registration starts at 8.30am)

Venue: IP Academy (Singapore), 7 Maxwell Road, #05-01A, Annexe B,
MND Complex, Singapore 069111

ABOUT THE COURSE

The Licensing Executives Society (Singapore) and IP Academy (Singapore) are pleased to present the 2010 LES SINGAPORE BASIC LICENSING COURSE. The course covers aspects of the licensing of Intellectual Property – trademarks, copyright, patents and registered designs. It presents a brief and lucid explanation of the various principles and procedures of licensing negotiations, including a “hands-on” scenario which will enable the participant to put into practice the lessons taught, under the supervision and assessment of the instructors.

The course assumes no previous knowledge of or experience in Intellectual Property or licensing, however, there is much material which will be useful to the experienced licensing professional including pointers for structuring a deal.

The course has been developed by Licensing and Intellectual Property lawyers & industry members based on the accumulation of a wealth of experience in the field of licensing, franchising and technology transfer.

COURSE OBJECTIVE

At the end of the course, participants should have a comprehensive perspective on the concepts and steps used in the licensing of Intellectual Property.

Participants should be able to:

- Understand basic vocabulary, legal concepts and processes for Intellectual Property and Licensing
- Follow a technology transfer process
- Understand the basic principles of different valuation approaches
- Recognise the essential issues in licensing agreements
- Practice elements of successful negotiation
- Know how to manage IP and license agreements after the deal is made

COURSE OUTLINE

19 July 2010 (Monday)

Part 1 – Basics of Intellectual Property & Licensing

- Introduction to Intellectual Property
- How to protect your Intellectual Property Rights
- How do you get value from your IPRs

Part 2 – Developing a Licensing Strategy

ABOUT THE SPEAKERS

MR. CHIEW YU SARN is a founding partner and head of the corporate and commercial department of Yu Sarn Audrey & Partners. He is an Advocate & Solicitor of the Supreme Court of Singapore, and is also qualified as a Solicitor, England & Wales. His area of practice includes intellectual property (IP) and corporate and commercial law, in particular the commercialisation of IP such as franchising, licensing, research collaborations, joint ventures and IP related private equity transactions. Yu Sarn is the President of the Licensing Executives Society Singapore and a member of the Franchising and Licensing Association (Associate Member – Professional) and the Association of University Technology Managers. As part of his professional activities, he has been accredited as a Trainer for the Fundamentals of Intellectual Asset Management course developed by the Licensing Executives Society, USA & Canada.

MR. DANIEL KOH is one of the founding partners of Eldan Law LLP. His main areas of practice are commercial litigation and arbitration and intellectual property law including sports and entertainment law. He also lectures and teaches at the Post-Graduate Practice Law Course conducted by the Board of Legal Education, as well as the National University of Singapore Law Faculty. Daniel is the Editor of the Law and Practice of Injunctions in Singapore published by Sweet and Maxwell and had also co-authored the chapters on Employment Law and Intellectual Property Law.

MR. MAX NG is the managing director of Gateway Law, and heads the IP & IT practice. Max's practice involves patent and other intellectual property litigation, general counselling and preparation of specific contracts and documents in relation to licensing, franchising, media and entertainment law, electronic commerce and the Internet, amongst others. Max is listed as a leading lawyer in his field in amongst others, AsiaLaw Leading Lawyers, Legal Who's Who and the International Who's Who of Business Lawyers. He is also the lead author of the book "Intellectual Property", under the Butterworths Law for Business Series. Max speaks frequently at various forums on IP and IT-related topics. He also renders his services by judging at competitions and providing legal guidance pro bono at entrepreneurship forums such as at "Start-up@Singapore", or at the local educational institutes.

MR. SURESH SACHI is the head of A*STAR's Legal Department overseeing all legal and intellectual property affairs of the Agency and its subsidiaries, including Exploit Technologies, ETPL Investments and the A*STAR Research Institutes, centres, consortiums and networks. He is a frequent speaker on technology transfer, licensing, intellectual property, corporate and biotechnology law related topics at local and overseas seminars, workshops and symposiums organised by the WIPO, Law Society of Singapore, Licensing Executives Society, IPOS, and the IP Academy. Suresh is also a Registered Patent Agent as well as admitted as an Advocate and Solicitor of the Supreme Court of Singapore and the Vice President of the Licensing Executives Society Singapore.

MR. WILSON WONG is a Director of Amica Law LLC. His practice area centers on Intellectual Property licensing, technology and commercial transactions and advice. He represents a broad spectrum of Intellectual Property, IT, biotechnology and other technology providers and users in a wide variety of transactions. He has extensive experience in advising, negotiating and drafting Intellectual Property licensing, IT, technology transfer, research and development, biotechnology, franchising, entertainment and other agreements involving intellectual property and technology. Wilson is a SCOPE IP Consultant certified by the Intellectual Property Office of Singapore (IPOS), and a member of the Interactive & Digital Media Expert Group of the Media Development Authority. Wilson also sits on the executive committee of the Licensing Executives Society Singapore.

MS. AUDREY YAP is a founding partner and head of the IP department of Yu Sarn Audrey & Partners, a boutique Intellectual Property & Commercial Law practice. Audrey is a Registered Patent Agent, an Advocate & Solicitor of Singapore and Malaysia and a Solicitor of England & Wales. She is also Adjunct Fellow of the Singapore IP Academy and a Commissioner for Oaths. Audrey was recently named as one of the top 250 World's Leading IP Strategists in the London based survey www.iam250.com and the only Singapore lawyer to make the list. Audrey served on the Examination Committee, IPOS as an examiner for the Patent Agents Qualifying Examination from 2002-2006. Audrey is currently the Chair of Education & Training Subcommittee of LES Singapore and served as an Exco member and Treasurer of the Association of Singapore Patent Agents from 2005-2009. Audrey was invited by the European Patent Office to serve as an external expert in 2004 under the framework of EC-ASEAN Intellectual Property Rights Cooperation programme. She has been an invited speaker at international & regional business and legal seminars. Audrey was appointed as the Regional Consultant by the World Intellectual Property Organisation (WIPO) to lead an ASEAN wide study in 2005-2006.

DR. ALEX YU is Director of the Innovation & Technology Transfer Office at Nanyang Technological University (NTU) in Singapore where he has responsibility for intellectual property management, research collaboration agreements, licensing and commercialisation of NTU technologies. He also sits on the Boards of NTU Venture Pte Ltd (NTUV) and its subsidiary companies and is the Chairman of the Board of an environmental technology company under NTUV. Prior to joining NTU in 2003, he was the Associate Director, Corporate Development at a drug discovery company in Singapore. He also spent 5 years as the Director of Research and Business Development at a Canadian start-up biotechnology company. Dr. Yu is a frequent lecturer and speaker on IP management, technology licensing and technology valuation at NTU, Intellectual Property Office of Singapore (IPOS), World Intellectual Property Organization (WIPO) programs and Licensing Executive Society (LES) seminars. He has a Bachelor degree in Chemical Engineering from McMaster University and a Ph.D. in Medical Biophysics from the Ontario Cancer Institute, University of Toronto.

ABOUT THE FACILITATOR

MS. SHARON CHIANG'S experiences include research, patent prosecution, bioethics, business panning and development, contract negotiation, strategic alliance, project management, technology transfer, intellectual property commercialization and regulatory affairs.

She has worked in an Intellectual Property firm dealing with patent prosecuting and in the Genome Institute of Singapore in the areas of bioethics, strategic alliance, technology transfer and contractual, business and regulatory matters. She was certified by the Institute of Patent Attorneys, Australia under the South East Asian Drafting Course organized by FICPI.
