

IP CONSULT SERIES: REALISING THE POTENTIAL OF YOUR INTELLECTUAL PROPERTY

SYNOPSIS

Does your company know about IP rights and use them effectively to achieve business growth and protection?

This seminar is designed to provide a platform for companies to know about IP awareness. A key part of the day is the chance for company to have a one to one discussion with an IP Professional. This gives the companies an opportunity to raise any IP issues they might have that relate to their own particular circumstances.

SPEAKERS' BIO

Mr. Ng Kim Tean is the chairman of Nanyang Law LLC. Having extensive experience in cross border work handling joint ventures, cross-border mergers and acquisitions has helped Kim Tean become familiar with Chinese, Indonesian and American laws. With his strong background in the technological field, Kim Tean heads a team of IP professionals, providing effective guidance in the field of technology licensing and research collaborations. Known for being a prolific speaker, Kim Tean has been invited to speak in numerous seminars and symposiums, including the IPOS Career Seminar and the IP Consult series in 2008.

Nanyang Law LLC is a dynamic Singapore law practice fully committed to providing quality legal services to its clients. Its key areas of practice are: corporate and commercial practice, intellectual property and technology practice, corporate secretarial services, general litigation and dispute resolution practice and lastly, real estate and conveyancing practice. Through its comprehensive understanding with its various clients, Nanyang Law LLC endeavours to help its' clients meet their objectives in today's fast-paced economic and legal landscape.

Mr. Max Ng is the managing director of Gateway Law Corporation, and heads the IP and IT practices. The lead author of "Intellectual Property" by LexisNexis, Max also stays professionally active in the community, speaking frequently at various forums on IP and IT law-related topics. Max is also listed as a leading lawyer in his field by various publications such as *AsiaLaw Profiles* and *Asia Pacific Legal 500*. His practice involves patent and other intellectual property litigation, general counselling and preparation of specific contracts and documents in relation to licensing, franchising, media and entertainment law, electronic commerce and the Internet, amongst others.

Gateway Law Corporation is a boutique legal practice which specialises in providing its clients with a one-stop seamless service throughout South East Asia. With lawyers which are qualified to practice in overseas jurisdictions such as Malaysia, Hong Kong and so forth, its associations with its strategic partners allows it to leverage on the numerous patent attorneys, trade mark paralegals and professionals within the group. This combined presence covers the leading cities in Asia, allowing Gateway Law Corporation to focus on all aspects of Intellectual Property rights, including anti-counterfeiting, In Partnership With

enforcement, licensing, franchising and other forms of commercialisation, in addition to its other areas of specialisation such as technology and communications, media and entertainment law. Gateway has also been recognised in leading publications such as *Asia Pacific Legal 500*, and its lawyers have also been recognised and named in *AsiaLaw Leading Lawyers*, *Legal Who's Who* and *The International Who's Who of Business Lawyers*, to name a few.
